

Is my child eligible for Medicaid/Katie Beckett?

There are multiple ways a child can qualify for Medicaid or Katie Beckett.

Rite Care/Rite Share

- Eligibility is based on the family's income.
- If found eligible, the family will receive Medicaid.

Katie Beckett

- Children who have a life-long disability or are medically fragile and at risk of hospitalization or institutional level of care will be considered for eligibility.
- If found eligible, the child will receive Medicaid.

SSI-Supplemental Security Income

- Eligibility is based on the child's level of disability and the family's income.
- If found eligible, the child will receive Medicaid and money for support.

DCYF Adoption

- Child will have Medicaid until they are 21.

SSDI-Social Security Disability Insurance

- Adults who have worked and have become disabled will be considered for eligibility.
- If found eligible, the person will receive money for support
- The family may also qualify for Medicaid.
